Hey there OEJ crew! :) I just wanna say a massive thanks for Ur Fanship & support on my Reverb profile! I'm also LOVIN Ur music; good old fashioned no nonsense Classic Rock/country vibes, with a touch of deep southern Blues, awesome down & dirty driving guitar riffs & a nice touch of huskiness, gravitas & weathered Bluesy tones to Ur vocals & flawless harmonies, I also love the rough live recordings really conveys the energy of Ur gigs & incredible guitar solo playing & really tight melodies/Bluesy hooks! I espesh enjoyed "Waitin on the Bus" & Ur "Knockin on Heaven's Door" cover is just perfection, very soulful & nice world weariness in Ur delivery! I've now Fanned U back on Reverb & Liked/shared Ur pages on Reverb, FB & Twitter & also Following U on Twitter; I'd be really grateful if U cud do same & also give my stuff another listen & comment back on my page when U get a chance, Peace & best wishes Jamie. C :)
